Welcome Members to Our Centenary Season

Your President's Report

Hi fellow members.

Welcome to your clubs 100th season. Exciting times ahead with the chance of good results both on the green and off. Your board has in the off season still been working hard to achieve the best possible outcomes concerning the redevelopment and how our landlord is looking to change our lease agreement in 2027 with both one on one with the council and park group meetings. The Tanunda oval is being completely resurfaced, so we will be watching the impact this has.

The progress in finishing our shed and car park unfortunately has been and still is very slow! Hopefully the end will be soon.

A positive note is the club is fielding 4 Saturday pennant sides Div. 1,2,3 and 4 and 3 Thursday afternoon Div 1 and 2 x Div 2 sides and of course the all conquering ladies will be there to defend their crown.

I thank all members that have put their hand up to help continue the successful running of our great club. We as a club also wish Des Schiller all the very best as he represents South Australia in Tassie in the State Bowling arm competition. "Go Desi"

Your club starts its 100th year in a very healthy position both in membership and financially how ever, both these must continually be driven forward, so to that end early next year a special meeting will be called to devise a member based "future plan" so put your thinking caps on and remember the future is in your hands.

Well enough from me, I look forward to seeing you all on the green for a successful and fun year.

Regards Richard.

PS Remember you can't help getting older but you don't have to get old.

INVICTUS AT TANUNDA BOWLING CLUB

Sunday the 30th July saw Tanunda Bowling Club proudly offering their facility to 30 Invictus members and their families for loads of fun and to test their skills on the bowling green. Much laughter could be heard across the greens even though it was a very chilly morning all those that attended appreciated the opportunity to get together in '*Strengthening Veterans Wellbeing Through Sport*'.

The Invictus organiser Vanessa, was so pleased with event donated by the Tanunda Bowling Club that she wishes to hold a further event soon, possibly in the warmer months to come. The bowling was followed by a sausage sizzle prepared and provided by Tanunda Bowling Club members who were honoured to provide this small event to our Veterans and their families.

Around and at the Greens:

I'll be surprised if you haven't heard this one.....

A well known member of our club needed to ring another member for urgent information of a certain nature (probably about bowls) ...

1st call the reply on the other end of the line was quite intimidating
"F..." off and get a job you ?!@#\$. was the response

Bravely he rang again, checking the number, assuming he had dialed incorrectly.

2nd call The wife of the first responder to the call answered... only to hear that "some bloke had been quite rude to my first call" ...

3rd call ... From our well known member, and apparently it took a good 10 minutes of apologies from the first responder to clear the air .

Obviously these phone scams have created quite a defensive attitude in some people. "ONYA BAZ"
