Your President's Monthly

Report

Hi Fellow Members,

Wow it only feels like the other day that I was writing the last report, but this time of year seems to fly by or maybe it's just that I'm getting older!

On that note, please keep an eye on your internal tournament commitments so that they can flow along at a good pace.

For those members that have put their names forward to play the Mosman Bowling Club on Monday the 20th November, 2023 thank you but we are still short of our target numbers so if you can please add your name to the list, it is a great chance to mix with like minded people for some fun and of course there is the bowling as well.

We again have drawn the short straw with the park redevelopment as those of us that played in the dust the other Saturday can testify. However, be assured that your Board is in constant dialogue with the City Council, and they were made aware of this issue before they removed the grass.

Hopefully that will be the last time we have that issue.

If you have Melbourne Cup Day free the Club is having a shared plate, get together just for fun and laughter. Spotty will be running the sweeps and I have put a short and easy quiz together!! So, all Welcome.....

Well enough from me. Stay safe and if you back a horse in the Cup make sure it's a winner.

See You on the green.

Regards,
Richard

PS: Remember you are not getting old you are become a "Classic"
