Issue No. 51 ---- Since Oct. 2019

THE NEXT NEWSLETTER DEADLINE WILL BE FEBRUARY 29TH

## *Your President's Monthly Report*

*Hi fellow members,*

*It's just amazing that this year of 2024 has seen a month go by already. It must mean that time flies when you're having fun. While the club on the greens had a "Black Saturday" on the 20th what focused my attention was the fantastic number of members that stayed after the game to help each other, console and laugh together and as we strive to be better as a group, we do realize that we all would like to be more successful and the work that would be required to be more competitive.*

*The internal competitions, are all reaching the pointy end, so very good luck and good bowling to all the members left in the draws, from what I have seen and heard there have been some very close and competitive games so may this continue.*

*Stay safe as the weather warms up and I wish all members that are having their own personal health issues all the very best and do not forget that the Tanunda Bowling Club family have you in their thoughts.*

*One last thing if you are able to participate in other clubs tournaments that would be great as we need to help them as they help us.*

*See you on the green.*

*Regards  
Richard.*

*PS "I want my children to have all the things I couldn't afford.*

*Then I want to move in with them."*

*Phyllis Diller*
