Your President's Monthly Report

Hi fellow members,

Firstly I would like to wish all our bowlers that are playing finals be it association or internal games all the very best with good luck and good bowling plus as this is my last report before the AGM I would like to remind all members that ALL positions on the board will be vacated and have to be refilled, which means that for the club to run it needs volunteers to step forward and carry on the work that all past boards have done. So Nominate yourself for a role and make a difference because the club does needs you!

Second is the reason that we have chosen the Vine Inn for our presentation dinner is 1: It was done in good faith by the board in an attempt to make the occasion special due to being our Centenary Presentation Dinner.

2: There was nowhere in Tanunda that was big enough or able to cater that we could source to have a special and private dinner and presentations.

To finish, all members should be aware that all the decision's the board make are robustly discussed and mindfully made.

My last quote is from Nan Witcomb,

"It does not matter if we look old as long as we think young"

See you on the green
Regards Richard

COUNTRY ROUND ROBIN 2023/24

Games were played Tuesday to Friday at Lockleys Bowling Club. Two games every day consisting of 23 ends in the morning and 23 ends in the afternoon. Then on Friday only one game of 23 ends with 16 people playing in 4 rinks. Region Four consists of the Barossa, the Riverland and Mid Murray. This year Region Four took out the honours of winning in a nail biting finish winning by **1 shot overall**. The last time the Ladies won this event was in 2006/07. It was a great honour and privilege to be picked for this prestigious event.

Sue Yates

"It came down to Friday's results as the men played 5 rinks, so 20 players against country regions. With our men sitting third and there were three of us on 77 points. The team on top was 85points so there were 8 shots difference. We picked up four rinks with and an overall **win of 2 points**. 20/20 was the last time that one region had actually won both men and women's Country Round Robin".
