Issue No. 30 ---- Since Oct. 2019

Your President's Report

Hello Fellow Members,

Congratulations to Jeff Garrett, who on the 18th December played his 700th game of Bowls for the Club. Jeff played his first game on the 11th of October 1986 and has played in all the Divisions and many Tournaments, winning several titles over this period. He has also held many positions in the Club and continues to assist in the functioning of the Club. So well done Jeff!

As you know, we have now become a "Fully Vaccinated Club", this means that anyone entering our grounds must be fully vaccinated. Visitors will need to have proof of vaccination to remain on the premises. When you have booster or additional Covid-19 vaccinations please bring the paperwork for Murray or me to sight so that we can keep the records up to date. Many thanks to all who make this odious task efficient.
Please also be aware that the rostered Covid Marshals may need to approach folk, which can be disruptive to bowls, so please be patient and assist them if the need arises. Thank-you to all who have volunteered and carry out the responsibilities of this job.

Last week ALL our playing teams won their matches, which was fabulous and has made a difference on the Team tables. So well done all. Let us try and keep it up as we make our way on the home stretch to the Finals.
Night Owls have recommenced after the break and have now only four more nights to go.
The Mens' Country Carnival scheduled for in February has been postponed and we are yet to hear the fate of the Ladies' which is due to be held late March /early April.

The Park Development is going ahead as we have seen and heard! There is a new time frame schedule of work posted on the Noticeboard if you are interested.
It would seem the Oval and the Playground will be the first developments with the Junior Oval possibly commencing mid-year.

Re Uniforms - there is a new sizing kit for TBC Jackets (redesigned) and Vests displayed at the Clubrooms. I will do another bulk order in the next couple of weeks, so if you want any other items I am happy to include them in the order. You can pay for ordered items by Cash or by Card.
If you have any queries, would like any help or assistance please do not hesitate to ask me.

"Happy Bowling",
Louise Ross

I've used and loved these bowl scoops! Probably expensive to buy but very easy to make with light weight poly and three wheels. Trouble might be the trip hazard and where to put them during the games.
Perhaps a couple on an empty rink or up on the bank.
