February 2022

Issue No. 31 ---- Since Oct. 2019

Your President's Report

Hello Fellow Members,

Night Owls finale was this last week and a great night was had by all. Thank-you to all who volunteer and donate time and effort to make this such a successful event each year.

There will be some work taking place around the Clubhouse and Greens over the next few weeks:

the steel sheeting has arrived to replace the overhead walkway between A and B Greens, Jimmy will be co-ordinating and supervising the replacement of this and I'm sure will be seeking some assistance from willing helpers;

an external blind has been fitted to the kitchen windows;

the window at the Bar is going to be converted into a servery window, as identified on the original plans for the building. This will of course mean that drinks can also be served without folk having to come into the Clubhouse and congregate. It seems appropriate to have this alteration done, particularly now and in this time of Covid it will be beneficial;

we are also investigating the possibility of installing a permanent outdoor tapped water dispenser, which would mean no carting of the contraption and water bottles from indoors and of course water availability at all times outdoors.

the likelihood that B Green will be attended to by Berrys'. We are awaiting a visit and subsequent quote with the work possibly being done early March.Thanks Kevin & Rob.

As we are now a *"Fully Vaccinated Club",* this means that anyone entering our grounds must be fully vaccinated. Visitors will need to have proof of vaccination to remain on the premises. When you have booster or additional Covid-19 vaccinations please bring the paperwork for Murray or me to sight so that we can keep the records up to date. Many thanks to all who make this odious task efficient. Please also be aware that the rostered Covid Marshals may need to approach folk, which can be disruptive to bowls, so please be patient and assist them if the need arises.
Thank-you to all who have volunteered and carry out the responsibilities of this job.

Cont….

The AGM Dinner & Awards Evening are being planned for Saturday 14th May.
There will be several vacancies on the Board and Positions to be filled. More information and nomination forms will be forthcoming. Please give this your serious consideration.

With only a few more weeks left of the Bowling Pennant Season I wish you all well in your upcoming Games.

Louise Ross

For Members Information:

Around and at the Greens:

Helen and Barry (Bazza) Williams thought that this belated Christmas presented to them from Shirley and Phyl Nash would be more suitable for our bowls table as "Plenty of bull sh..t often happens around the table" !!!

Thank you Helen, or was it BAZZ?

"Some Days are Diamonds"

Couldn't miss this one for "team co-operation"
