Your President's Report

Hello Fellow Members,

Pennant season is over once again. I congratulate all who played this year and particularly to Saturday division 2 and division 4 who won the grand final and came home with the trophies. Also to division 3 and Ladies mid-week teams who both played in their grand finals and came off second best this time around. So well done one and all.

The Presentation Dinner will follow the AGM on Friday 13th (lucky for some!).
If you have not done so and wish to attend the dinner please place names on the attendance list which is situated on both the inside and the outside noticeboards.

As we approach the Association AGM there will be a requirement to consider the various motions and proposed by-law changes. We will make you aware of these as they happen, for further discussion and voting by members.

Bowls SA are currently conducting a review of their Affiliation Model, which had been delayed due to Covid. It may mean a change to the fee structure and the way that it is determined. Information about this is available on the Bowls SA website. Hopefully we shall be notified of the outcome prior to our AGM.

The Tanunda recreation park development is progressing and from May 2nd our Elizabeth Street gate will be permanently closed. Access will be via a gate further along Elizabeth Street, either a temporary gate or the show ground gate, whichever is accessible at any given time, which will allow access to our rear carpark. We will arrange for that gate to be unlocked from the start of May. Perhaps a similar arrangement to the previous Elizabeth street gate. Will keep you informed.

The club is looking for a volunteer to read the water meter and record and report the reading. This requires doing once every three months. Ian Frick has graciously been doing this now for several years and has to retire from this task.
If you are interested in picking this up, please let me know and I will put you in contact with Ian for a hand-over.

There are several separate emails and posters being sent out to everyone at the moment, however most of the information is also available later in this newsletter. Although the Pennant season has finished there is a lot going on, in and around the Club, so please take note and take part if you can.

Hope to see you Saturday 23rd and I wish you all a safe and happy Easter.

Louise Ross

TBC Tournament Director F.Y.I.

Hi Jim Here,

Just an update on the replacement of the sheets between A and B greens. The replacement went really good, thanks to the help of the following members, apologies if I have missed anyone, Phyll Nash, Spooty, Neil Slater, Baz Williams , Barry Swan, Dave Pech ,Richard Doecke ,Trevor Ratsch. Once the job was finished it became apparent the sheets needed an edge capping on both sides to straighten the line out, it has been ordered and I'm awaiting delivery. Also I have looked into a method of stopping the movement in the structure, the committee has passed this and it will be happening soon.
Once again thanks to all involved.

Tournaments as most of you are aware the club is involved in the Supa Triples Weekend see poster, I am asking if any of our members would consider putting a team in, with friends or other bowls club members, please consider, also as a club with help from Mike Schmidt and Wally Hearn we have organized a Super Raffle **(see posters below).** It is something I am sure will appeal to a lot of people, with this in mind the club is looking for help to sell tickets, there is 10 tickets per book, a proposed opening of the club next Saturday April 23rd for a social get together from 4-6pm where I will be handing out raffle books to members to sell, please get involved it will be a good fund raiser for the club with great prizes.

Cheers
