JULY 2022

Issue No. 36 ---- Since Oct. 2019

NEXT NEWSLETTER DEADLINE WILL BE 31ST JULY

Your President's Report

G'Day fellow members,

Firstly a big thank you to Mick Schmidt and Jim Yates as they were instrumental in kicking off this year with a very successful raffle, a great idea with many tickets sold and very happy winners. Thanks to Barossa Ford, The Wine Vine Hotel, 1918 Bistro and Grill, Barossa Weintal and our ticket sellers who made the club **$3,300.** Well done team Tanunda.

It is that time of the year for the Kapunda winter pennant, so all who are interested in playing on a Friday, names up on both the boards for both a boys and girls team for selection on a rotation bases.

Past Boards and I'm sure this current one, have and will continue to look at improvements for it's members. Like a bar service window with s/s fold down shelf, outside permanent cold water station, which are in the final stages of construction also a new outside BBQ and another oven in the kitchen are also in the pipeline.

The move to bring the newsletter to the beginning of the month is great and allows a more coordinated approach to the new month. Thanks Marg.

Tanunda winter bowls are ticking along with good attendance with the cold weather and park redevelopment not deterring many. Plus no issues on football days. It helps that the gate keepers play bowls!! The jackpots on both days are climbing so all are welcome to come and play and even if you lose (like I have been) you may still be a WINNER.

Thank you all for your support. Remember to have fun.
See you on the green.
Richard.

PS: I am now at an age that my back goes out more than I do!

Around and at the Greens:

I actually heard the following myself so if you are easily offended please don't read !

Young Shamus and Shaun were seated at the bar in their local Irish Pub with Shandy, Shamus' pet Alsation nearby. Shandy began to lick …(what dogs like to lick).

Shaun said… "Gosh, I wish I could do that.."
Shamus replied.. "You'd better pat Shandy first before you try.."
