September 2022

Issue No. 38 ---- Since Oct. 2019

THE NEXT NEWSLETTER DEADLINE WILL BE SEPTEMBER 30th

Your President's Monthly Report

G'Day fellow members,

Well spring is in the air and I'm sure, you like me are hoping for some warmer weather not only to bowl in but just to get out and about again.
The clubs teams that are competing at Kapunda on a Friday are having some wins and some other results! but all players who nominated to be in the rotation are giving it a crack and at all levels doing the club proud. Plus if we keep winning ----- you just never know.
The park redevelopment has, as I'm sure all members can see, been held up by the weather, this means going forward more work will be undertaken by the contractors all at the one time so as to meet their time lines. Your board is working very closely with the council team to try and minimize the impact to the club but there will be some bumps in the road I'm sure, like the water supply being disrupted the other week. However the good relationships that have been built resulted in a quick fix and I'm hopeful this will continue. Please feel free to approach me if you have any queries and I will endeavour to find the answer.
Tournaments are around the corner, plus internal games are on with the 2 bowl singles ready for you to put your name on the list. The old saying you have to be in it to win it surely applies here.
To the members that are travelling stay safe and to those returning,welcome home.
That's it from me, welcome Spring and remember to have FUN.
See you on the green.

Richard

PS – "The older I get, the more clearly I remember things that never happened."

- Mark Twain

Member's Information:
