December 2022

Issue No. 40 ---- Since Oct. 2019

THE NEXT NEWSLETTER DEADLINE WILL BE DECEMBER 30th

Your President's Monthly Report

G'Day fellow bowlers.

Sunshine, is it not fantastic to see the sun after all the inclement weather that has cancelled bowls or interrupted games. Now for consistent weather so as I can find some consistent "form" and get some progress on the park re-development.

On that point, your board is working hard to get the many issues we have, alleviated as best we can. The council have been sent several letters expressing what we as a club are very concerned about. Issues that not only impact you as members but other bowlers and guest's including our great many night owl participant's, so we are hoping to see some improvement moving forward but will still have to live with the fact that the re-development is a work in progress.

I read an article the other day that stated, "a bad bowl in any game is inevitable it is how the 'team' handles it that affects the outcome" which I found to be worth some thought.

So as we move towards the festive season from the myself and the board have a happy and safe Christmas and New Year.

See you on the green.
Regards Richard.

Member's Information:

Members,
I have been overwhelmed for the love that you have shown for Neil and for me for Neil's untimely passing. All the beautiful flowers and cards, hugs and kisses have meant so much. I feel that Neil is still with us all in some way and is looking down on his favourite bowling club and his friends. He was a very kind and sincere person and always said it the way he saw it.
Using his own words, he was "Here for a good time. Not a long time"
THANK YOU,

RIP now that the pain has gone my love, till we meet again. Marg

Around the Bowling Greens

Little Jimmy was playing quietly for some time, when his mum got suspicious .. "What are you doing my Love"
Jimmy replied "I'm making sand castles with Grandpa" Mum frantically replied "Jimmy put Grandpa's ashes back in his urn right now!!"

Apologies Jim, perhaps not as originally relayed.
