President Sharyn's Monthly Report

Greetings fellow Members,

I trust you have had an enjoyable and memorable Christmas with family and friends.
Our Club has achieved much in the past 8 months, and we have so much to look forward to in the New Year. Other than the maintenance that has been completed and ongoing we have had some excellent Bowling results. Our ladies are sitting 2nd on the Premiership table having beaten the previously undefeated Angaston on the last game of the year. Midweek Division one men are sitting second, and Tanunda Black are holding on to the number one position. As for our Saturday Pennants sides, Division one is not that far out of the four, Division two are currently in third spot but many of their losses have been by very few shots. Division three sees Tanunda White in second spot with Tanunda Black holding on to fourth spot a fantastic effort given playing with a shortage of players and scraping to find players to fill in each week. Congratulations everyone and let's keep it going in the lead up to the finals.
