Issue No. 61 ---- Since Oct. 2019

President Sharyn's Monthly Report

Greetings fellow Bowlers,

A very successful Winter Bowls has come to an end. Thank you to all who supported the Club over the Winter months. In particular, thank you to Sputty, Ian Graetz and Sue Yates for organising the days along with their helpers.

The new season will soon be upon us with much to cover before then.

In addition to the below Events, we will be holding our annual Busy Bee on Saturday 4th October at 9.00am. If anyone is able to come along and help out it would be much appreciated.

The Come and Try day is to be held on 28th September from 1.00pm to 4.00pm. Any of our Club Mentors or Club Coaches that are available to assist, that would be great. Thank you to Sharron and Darryl for organising the Flyers and people to distribute them around the Community. To those that did the leg work, also a big thank you.

To update everyone on the Solar & Batteries, I am still waiting on Council approval and have followed up again this week. I have also partially completed the Government Grant Application and will endeavour to complete once we have the approval along with some other details.

As we can no longer attach anything to the interior glass windows of the Club the decision has been made to purchase an Outdoor, lockable notice board suitable to hold Pennant Teams, rink numbers and given sufficient space our Liquor License etc.

On a personal note, I am hoping to return to normal shoe wear shortly, be able to go for short walks and get back on the green for short periods of time initially. I can not wait and Burgy couldn't be happier. My goal is to play in the trial game against Eudunda.

I hope you are all enthusiastic and looking forward to the new season as much as I am.

Remember let's all be Loud and Proud Maggies.

Warmest Regards, Sharyn

President Sharyn
