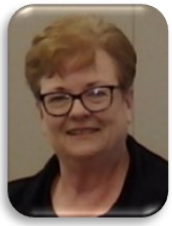
DECEMBER 2025

Issue No. 62 ---- Since Oct. 2019



President Sharyn's Report

Greetings fellow members,

We have had a mixed start to our season thus far with some success and some losses. All Players continue to put in their best effort.

There has been some discussion around having less sides this year however, as it turns out we are just managing to field 3 sides on Saturday and although there is a surplus of players for Mid-Week men, most weeks there have not been sufficient players to field 2 Division 2 sides. It is very important that when the Club Secretary sends out the Survey to find out who is playing the following season that Players complete the form and return it as soon as possible. The Board need to know numbers for BLBA and the number of teams entered is based on the Survey.

I have emailed Barossa Council maintenance team in relation to our Car Park but have yet to receive a response.

Today I also emailed The State Government Grant's team who responded with due to the high volume of applications responses are taking longer and they will be dealt with in order of receipt. Our application went to them the 1st day of October 2025. We can not start the Solar & Batteries project until we hear from them as the project is not allowed to be underway when the Grant is in Application stage.

Twice we have purchased combination Padlocks for the gates and twice Darryl has had to cut them off as they were not able to be opened. We are looking at another solution possibly installing a key safe to place the key to a normal padlock in for when there are events in the Recreation Park.

It was with great sadness we farewelled Bernie Wallace this month. To all the ladies that helped with the Wake and of course Peter behind the Bar, thank you for all you did. We had so many lovely comments from people and it was a pleasure to work with you all.

REMEMBER, NO MATTER WHAT, LET'S BE LOUD AND PROUD MAGGIES.

Best Wishes for Christmas and the New Year

President, Sharyn

REMEMBER –

"Let's support and encourage each other"

REMINDER Regular Wednesday afternoon From about 1pm onwards. It is good to see that you are all out on the Green getting your internal tournament matches played. Keep it going.

Member's and Sponsor's contribution to the newsletter are always welcome, send in your bowls stories or pictures.
